*Oswald-CIA Link
Denied by McCone*

Associated Press

Intelligence Chief John A. McCone said yesterday that Lee Oswald was never directly or indirectly linked with the CIA.

McCone's statement, through a Central Intelligence Agency spokesman, was prompted by Marguerite Oswald's statement Wednesday that she believes her son was a CIA secret agent "set up to take the blame" for President Kennedy's assassination.

Mrs. Oswald made this suggestion as she finished three days of testimony to the Presidential commission investigating the assassination.

The commission may call one or possibly two new witnesses next week.
